Choose CentralGuard for the best protection and a lifetime warranty

# Panel-Loc Plus™ Fluropon®

## Color Selection Tool

FLUROPON® 70% PVDF

[www.centralstatesmfg.com](http://www.centralstatesmfg.com)

valspar®

Check our website to verify which colors meet ENERGY STAR® requirements for steep slope roofs.

\* Copper Metallic panels must be installed in the same direction. See directional arrows or stickers provided on your panels. Color variation between orders is normal and not cause for rejection. Copper Metallic has a 20-year Perforation Warranty.

Colors on this chart are close representations of actual metal color, limited by printing and viewing conditions. Color matching is optimized for outdoor viewing.
